AUTHORIZATION

Authorization for this examiner's amendment was given in a telephone interview with Mr. Jeffrey Karceski on February 22, 2006.

TO CLAIMS

In claim 10, delete "claim 9" and replace it with --claim 1--.

The cited prior art does not disclose or suggest a semiconductor device inter alia the limitations "...depositing a tungsten nitride layer as a barrier metal layer in the contact hole and on the insulating layer using

an atomic layer deposition process; and wherein said depositing the tungsten nitride layer comprises: depositing a silicon single atomic layer in the contact hole; forming a tungsten single atomic layer after said depositing the single silicon single atomic layer; and forming the tungsten nitride layer by plasma-processing the tungsten single atomic layer; performing the atomic layer deposition process a plurality of times to produce a barrier metal layer having a desired thickness....”

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
